Valued Community Partner,

The NEPA Pride Coalition was established in July 2022 to address the unique needs of the local LGBTQIA+ community. Sexual and gender minorities often face significant and complex barriers in daily life, especially when accessing community services or navigating broader societal systems. Everyday activities—such as visiting a doctor, going to work or school, finding a therapist, addressing housing insecurity, seeking affirming substance use or mental health treatment, or even estate planning—can present distinct challenges.

Our mission at the NEPA Pride Coalition is to illuminate these issues and equip service providers to better support their LGBTQIA+ clients, employees, patients, friends, and neighbors.

With this in mind, we are thrilled to announce the second annual **LGBTQIA+ Education Symposium**, which will take place on **Friday, June 13, 2025**, at **Marywood University** in Scranton, Pennsylvania.

Our inaugural symposium last year exceeded all expectations, thanks to the enthusiastic turnout, and bolstered support, and positive feedback from sponsors and attendees alike. Building on this success, this year's symposium will feature 12 one-hour workshops spread across four breakout sessions, led by a diverse panel of presenters. We anticipate welcoming approximately 200 attendees and are excited to host this year's event in Scranton.

To make this event another resounding success, we are offering a variety of sponsorship opportunities. On the following page, you will find details about each sponsorship level and the benefits included.

Thank you for considering this opportunity and for your dedication to supporting the local LGBTQIA+ community. If you have any questions or need clarification on anything, do not hesitate to contact Dylan Fredricey, Founder, NEPA Pride Coalition at 570-331-8528 or dylan@nepapridecoalition.org.
